HONOLULU MONUMENT WORKS, LTD.

We are the only practical firm in the Islands today, strictly
in the monument business. We do all our work with pneumatic
tools, driven by compressed air, and the saving in labor we give
to our customers in the reduced price of monuments sold. We
give any class of lettering, V Sun or raised, but recommend
raised letters as more artistic. We sell monuments at San Fran-
cisco prices, and as a further inducement to purchase from us,
we will give the full name, and the year of birth and death,
beautifully carved in raised letters, in panel work, with frosted
background, absolutely free. We are direct importers of Amer-
ican and Scotch marble and granites.
